Thursday, May 14, 2015

Mr. LANCE. Mr. Speaker, I rise today to celebrate the public service of the Honorable Nancy F. Muñoz, Assemblywoman for New Jersey's 21st Legislative District, as she is honored by the Somerset County Federation of Republican Women as the recipient of its Millicent Fenwick Award for Outstanding Public Service.

Nancy's career as a dedicated public servant started with her interest in public health. She was graduated from Skidmore College with a bachelor's degree in nursing and later earned a master's degree from Hunter College as a clinical nurse specialist. She worked as a nurse in surgical intensive care at Yale-New Haven Hospital and also worked at Massachusetts General, Lenox Hill Hospital Emergency Room and Memorial-Sloan Kettering Cancer Center.

Nancy took an important role in the public school system of Summit, New Jersey where her five children, Wills, Eric, Alex, Elizabeth and Max were educated. Nancy was active in the Parent Teacher Associations at Summit's elementary, middle and high school. Her late husband, Eric, was a renowned trauma surgeon, member of the Summit Common Council and member of the New Jersey General Assembly.

Her accomplishments and dedication have been recognized by her Assembly colleagues who have selected Nancy as the Deputy Republican Leader.

COMMUNITY HEALTH CENTERS—50 YEARS OF SUCCESS

HON. SAM FARR

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 14, 2015

Mr. FARR. Mr. Speaker, I rise today to give thanks to all the community health centers in America and especially those in my district in California. These clinics are the workhorses of health care. Whether it be in the rural community of San Benito County, the downtown environs of Seaside on the Monterey Peninsula, the ag community of Watsonville or the

streetscape of Santa Cruz, community health clinics provide expert health care to whomever needs it. These clinics increasingly are significant sources of regular, primary health services and not just drop-in-as-a-last-resort centers. In addition to providing on-the-spot health care they also run education programs on wellness, nutrition, diabetes and pre-natal care. All this is done at little or no charge to the patient with costs picked up by federal health programs, partnerships with other public and private entities and charitable donations.

The first community health centers were established in the U.S. in 1965 and May 15, 2015 marks 50 years since their introduction. Since then they've serviced over 62 million persons, including 13 million new patients since the advent of the Affordable Care Act. In a district like mine which includes an agriculture workforce that is often on the margins of health care the community health clinics are a godsend to keeping this workforce healthy and industrious.

Mr. Speaker, I want to say for all America to hear: I am very proud of the community health clinics in my district. I am sure my House colleagues have similar good stories to tell about the community health clinics in their districts, too. I hope they will join me in saying 'thank you' and 'good job' to these clinics and wish them well as they embark on the next 50 years of service.

HONORING DEPUTY SHERIFF
YEVHEN "EUGENE"
KOSTIUCHENKO

HON. JULIA BROWNLEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 14, 2015

Ms. BROWNLEY of California. Mr. Speaker, today, I rise to pay tribute to Deputy Sheriff Yevhen "Eugene" Kostiuhenko, an 11-year veteran of the Ventura County Sheriff's Office, who was tragically killed in the line of duty on October 28th, 2014.

Deputy Kostiuhenko was born in Kiev, Ukraine, where he attended secondary school and later attended the Military University of Defense of Russian Federation in Moscow. Deputy Kostiuhenko served in the Ukrainian Armed Forces and as a liaison between the Federal Bureau of Investigation, Drug Enforcement Administration, and Central Intelligence Agency. He also held the prestigious position of serving as the adjutant to the General of the Ukrainian Army.

While Deputy Kostiuhenko's homeland was near to his heart, he loved America. He especially loved serving his community. In April of 2003, Eugene began his distinguished career with the County of Ventura. He initially worked with the Sheriff's Office of Emergency Services (OES), where he assisted with training and response plans for the County's Terrorism Working Group. While working in OES, Eugene received his United States citizenship in 2006, which was a proud moment in his life as he began working toward his ultimate goal of becoming a deputy sheriff.

Through discipline and dedication and a remarkable work ethic, Eugene successfully completed the rigors of training and was sworn in as a deputy sheriff on November 29, 2007.

Those who knew Deputy Kostiuhenko remember him fondly as a kind, compassionate, and caring officer. Eugene enforced the law with great distinction and it was his steadfast commitment to serving his community that made for a particularly noteworthy career.

Above all else, Deputy Kostiuhenko is remembered as a loyal friend and family man. Deputy Kostiuhenko is survived by his wife of 13 years, Maura Kelley, and his two sons, Tristan and Justin. He is also survived by his parents, Anatoly and Nadiia, and his brother Oleksandra.

Deputy Kostiuhenko's dedicated and courageous service will never be forgotten. On behalf of the people of Ventura County, who he so bravely served and protected, I express my sincere condolences to his family and friends, and to all who knew him. He will be remembered as a husband, friend, and hero.

TRIBUTE TO NOBIS DAIRY FARM IN ST. JOHNS, MICHIGAN

HON. JOHN R. MOOLENAAR

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 14, 2015

Mr. MOOLENAAR. Mr. Speaker, I rise today to pay tribute to Nobis Dairy Farm in St. Johns, Michigan. I congratulate the Nobis Farm on receiving the 2015 U.S. Dairy Sustainability Award. Since 2011, the Innovation Center for U.S. Dairy has presented this annual award to farms around the country that exhibit outstanding economic and environmental practices.

In Michigan, brothers Ken and Larry Nobis manage their multi-generational dairy farm that was started by their father, Paul, in 1946. Employing 23 people, Nobis Dairy Farm has expanded from its original 180 dairy cattle to 1,050, producing over 31 million pounds of milk annually. In 1974, Ken and Larry transitioned to sand bedding, which increases the comfort and health of the cattle in their care. Nobis Dairy Farm, in conjunction with Michigan State University and the McLanahan Corporation, developed an environmentally sound technique that would solve the problem of sand-laden manure while eliminating the excessive use of fresh water.

Dairy producers are a vital part of Michigan's economy. The innovative practices pioneered by Nobis Dairy Farm will benefit the entire industry. They also keep Michigan's economy strong and preserve a clean environment for all residents to enjoy. On behalf of Michigan's Fourth Congressional District, I congratulate Nobis Dairy Farm for this achievement and wish it continued success.

HONORING SANDRA LEVEQUE

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 14, 2015

Mr. THOMPSON of California. Mr. Speaker, I rise today to recognize Sandra Leveque upon her retirement as Principal and Director of the Napa County Office of Education Juvenile Court and Community Schools. Sandra has served as Principal and Director for 23

years, and this June she will end a forty year career as an educator and school administrator throughout our district. This month, Ms. Leveque's career and retirement will be honored by the Juvenile Court, Community and Alternative School Administrators of California at their Annual Conference in Napa.

Over the past forty years, Ms. Leveque has been a dedicated educator and advocate for special needs students, working in classrooms for the deaf, autistic, and profoundly mentally handicapped. Her devotion to helping those with special needs extends beyond the classroom and includes work as a member and Chair of the Kiwanis Club of Napa's Special Olympics and as an interpreter for the deaf at Hillside Christian Center. She has also served as treasurer for the local Organization for School Administrators.

Upon her retirement, Ms. Leveque's colleagues recall her as a tireless advocate for her students who worked nonstop, was always available to help others, and who treated her students like her own children. In fact, Sandra has three children of her own—Jeremy, Jessica, and Jonathan—and four grandchildren, Emmy, Peyton, Liam, and Will.

Mr. Speaker, it is fitting and proper that we honor Sandra Leveque at this time. Her commitment to serving students, and particularly those with special needs, has made our schools and community stronger and her level of dedication will not be easily replaced.

RECOGNIZING WHITE CASTLE

HON. STEVE STIVERS

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 14, 2015

Mr. STIVERS. Mr. Speaker, I rise today to recognize White Castle, which is headquartered in my district, for their long history of contributing to the Central Ohio Community. White Castle has recently announced the creation of "National Slider Day" to celebrate little ideas that make a big difference.

In 1921, White Castle was founded with the idea of small, bite-sized sandwiches. Nearly 100 years later, this small business idea has grown into a nationwide business creating thousands of jobs for our country.

White Castle will sell over 1/2 billion sliders to millions of people during the month of May alone. With 10,000 employees across the country and over 2,000 employees in Ohio, the company serves as a job creator in communities throughout America.

White Castle has also found great ways to give back to the community. To recognize "National Slider Day," White Castle will be handing out 10,000 sliders in Columbus to friends and charity partners around the city. White Castle sliders have also been made available on military bases around the world to help our brave men and women in uniform enjoy a "taste of home" while protecting our freedom abroad.

I wish White Castle all the best as they launch "National Slider Day" and as they continue taking little ideas to make a big difference.
